

# Birthday Book Club

The Bright School Birthday Book Club is a delightful way to honor your child on his or her birthday. Hundreds of books have been added to our collection as a result of birthday gifts. Children who are enrolled in this club select a new book from the library the month before their birthday and are the first one to check out this new book. Summer birthdays are also included. In the front of the book is a special plate with the child's name and birthday. If you would like to place a book in the library in *honor* or *memory* of anyone, it is handled in the same manner. This is also a nice way to remember teachers on special occasions (ex. Christmas or the end of the school year).

This form needs to be completed and returned to the school's office by **September 15** with **\$20** for each book. Checks are payable to **Bright School Library**.
